Prospects of economy in Vojvodina after the pandemic Covid-19

Novi Sad, June 2nd 2020

YouTube live stream / Diplomacy and Commerce

About conference

The Chamber of Commerce and Industry of Vojvodina and Color Media Communications company are organizing a conference dedicated to economy of **Vojvodina after the Covid-19 pandemics**. The conference will be held on **June 2nd 2020 at 10.00 am**.

All parties interested in the topic will be able to follow it and take part in it via live stream on Youtube chanel [Diplomacy&Commerce](#).

Participants of the online conference will talk about economy of Vojvodina and the investments after the COVID- 19 pandemic. Topics will also include the talks of prospects of individual industries and businesses both domestic and foreign.

Some of the topics that will be dealt with are organization of industries, private businesses in Vojvodina and cooperation at local after the pandemic.

Experience of European countries in international cooperation are certainly significant for sustainable economic development. Representatives of European economy chambers that have many Agreements on Cooperation and many common activities with the Chamber of Commerce and Industry of Vojvodina will provide their opinions.
